

IMPORTANT READ THIS NOTICE

Congratulations! Judging by the stereo equipment you now own, you are no amateur when it comes to audio. Nevertheless, we urge you to carefully read the instruction book before operating this equipment.

We also urge you to use your new equipment often, for it will bring you great enjoyment and become an important part of your life over the coming years.

IMPORTANT

It is imperative that you immediately fill out the enclosed Warranty Registration Card and send it to the Marantz Company using the provided envelope. Please mail it now.

IMPORTANT READ THIS NOTICE

At the same time you fill out the Warranty Registration Card, insert the required information on the Purchaser's Record that appears with the Warranty. This will provide you your own personal record of warranty registration.
